Masters Reference: CR.285/15

Further to our previous correspondence, please find attach the final distribution schedule. The curator will file his final curator account with the distribution schedule with the Master of the High Court and the National Director of Public Prosecution in the next two days.

Please further note that a copy of the final curator account and distribution schedule will be published on the website of Platinum Forex once the account is submitted to the Master of the High Court. The schedule will be open for inspection until 31 July 2018 to allow sufficient time for claimants to view and object to the distribution schedule.

Any claimant who wish to raise an objection should do so in writing and submit the written objection to the curator by no later than 31 July 2018. Please note that the curator will consider the objection and should the claimant not agree with the ruling of the curator the objection will be referred to the Master of the High Court for determination. Please find attach the objection form.

Please further note that payments in terms of the final distribution schedule will only commence once the Master of the High Court approve the account and distribution schedule.
